VVT OCV Engine Oil Flow Control Valve 243563E000 24356-3E000

Our Product Introduction

For more products please visit us on automobile-sparepart.com

Basic Information

- Place of Origin: CHINA
- Brand Name: NABO
- Certification: TS16949
- Model Number: 24356-3E000
- Minimum Order Quantity: 10 PCS
- Price: \$4.85 ~ \$5.87
- Packaging Details: poly bag or air bubble bag, any boxes with customers' label, Corrugated box , Standard tray
- Delivery Time: 3~30 work days
- Payment Terms: D/P, L/C, T/T
- Supply Ability: 1000 pcs per day

Product Specification

- Warranty: 24 Months
- Material: Metal + Plastic
- Temperature Range: -20°C To +120°C
- Engine Capacity: 2.0/2.4
- Valve Type: Oil Control Valves
- Packaging: According To Customers' Requirements
- Application: For Hyundai
- Highlight: VVT Oil Flow Control Valve ,
Engine Oil Flow Control Valve ,
OCV Flow Control Valve

Product Description

243563E000 24356-3E000 VVT Oil Control Valve for 2011-2014 Hyundai Santa Fe Tucson Optima

Product Description:

The Oil Control Valve (OCV) is an invaluable part of a vehicle engine.

It helps to regulate the stream of oil to separate engine components, with the engine control system usually managing the valve. OCV has a significant role in guaranteeing the right oil pressure and timing for maximum efficiency.

Features:

Our **Oil Control Valve (OCV)** offers precise oil flow regulation, helping to ensure optimal performance of critical engine parts. It contributes to maintaining proper oil pressure in engines equipped with variable oil pressure systems. It is constructed with robust housing and high-quality internal parts, providing durability and resistance to corrosion.

Furthermore, it is designed for easy and hassle-free installation process on vehicles with its specific make, model, and engine type. It is the perfect direct replacement for your vehicle's original equipment. We guarantee its long-lasting performance.

Support and Services:

Oil Control Valves Technical Support and Services

We provide a wide range of technical support and services for oil control valves. Our experienced engineers are available to provide assistance and guidance throughout the installation, maintenance, and troubleshooting process.

We offer a variety of services such as:

Installation and setup support

Operational guidance and troubleshooting

Maintenance and repair services

Replacement parts and components

We are committed to providing quality service and support to ensure that our customers have the best experience with our products. If you have any questions or need assistance, please do not hesitate to contact us.

FAQ:

1. Who are we?

We are based in Guangzhou, China, start from 2018, we are specializing in all kinds of spare parts for Japanese cars and Korean cars, for example, engine parts, suspension parts, electric parts, steering parts, transmission parts, body parts. . .

2. How can we guarantee quality?

Always a pre-production sample before mass production;

Always final inspection before shipment.

3. Why should you buy from us from other suppliers?

We have experience in spare parts for more than 10+years
